**ABOUT TONIGHT AT IMPASTATO'S:** If you've never been to Impastato's, you're in for a wonderful experience. Our host, Mr. Joe Impastato, is beloved in the restaurant business in the New Orleans area. The New Orleans Saints do a lot of events there. We will be in a private room adjacent to their Piano Bar. After you've enjoyed the truly delicious hors d'oeuvres they're preparing for us, you'll likely want to stay on for dinner after our event. Despite the aftermath of Katrina, the Impastato family has not increased prices on their famous 5-Course Dinner (\$28 !).

**Per curiam** - Our Executive Director Darlene Kattan will be back with us from Alabama following her bicycle accident last month. She looks forward to seeing all of you again and hopes you'll be able to join us that evening! She says to tell you that she's missed you!

If you haven't joined yet or renewed your membership status, we'll be happy to assist you at our Membership Table. **DON'T FORGET YOUR BUSINESS CARDS !!!!**
