Music is a big part of our Cultural Economy and Irvin Mayfield has the coolest club in town dedicated to showcasing our best artists. Irvin is a great friend of the Chamber and was the headline entertainment at our 2007 Gala. His group - Los Hombres Calientes - is world renowned. The Jazz Playhouse is gorgeous – carries you back to those iconic jazz clubs in New York in the 50's & 60's! Join us for a unique evening of networking spiced up with live Music by Roman Skakun, an emerging vibraphonist, followed by Johnaye Kendrick at 8pm. What a great way to start the year.
